NEW AGENT ACCESS GUIDE

INTRODUCTION

Hi, [_____]

This is [My Name], I was calling to introduce myself and get you set up for your free video library access (over 100 lead gen videos). Yes, it's completely free forever. [And I will be adding more free videos all the time to keep your momentum going]

LEARN ABOUT AGENT

I like to get to know my members so we can help each other better.

1. How long have you been working in real estate?
2. Have you specialized in any particular type of property or client over your career?
3. How many transactions do you close on average per month or year?
4. Do you currently have a go-to loan officer or lender you partner with for your buyers?

NOTES FOR CRM

SHARE YOUR INFO

Tell the agent a little about you and how you can help...

- Company, experience, family, hometown etc.
- Solve loan problems to get more buyers over the finish line. Etc.

WRAP IT UP

I'll have your branding video sent to you shortly. Can I just send it and your password to your email you sent on the branding request?

PS – Do you have any fellow agents who might also enjoy the videos? They are welcome too!
